

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
		1 Pray for Samuel and Rosa Saccsara from Runa Simi in Peru; they were the guest speakers at our virtual "banquet" this past October. Their sincerity and passion for the Quechua people was clearly evident!	2 Pray for June Dwyer as New Life Prison Ministry distributes 1,000 audio Bibles into Canada's jails, which Galcom is rushing to load with their custom audio programming. They are a vital tool in bringing truth to inmates.	3 Dave & Eleanor Pohl are welcome returnees to the Production floor at Galcom; they excel at whatever jobs await them when they visit on Thursday. Pray for their success and health today!	4 Michelle Cope continues to juggle her many roles of mother, wife, and Ministry Affiliate Coordinator at Galcom. It continues to be a challenge to get international shipments delivered. Pray for her success.	5 Pure Radio out of Jacksonville, FL has Impact Radio airing on their station at 8:00 am EST Saturday morning; you can also listen any time online at pureradiojax.org .
6 Thank God for Calvary Baptist Church in Pembroke, ON, who answered the call to fund a station in Quebec. Their missions outreach extends locally, nationally, and around the world. Pray God's blessing on them as they meet today.	7 James Hutton has been a resource for innovation and new ideas as he assists with the creation of Galcom's Compass player. Pray for his seminary studies and life with wife Charlotte and twin toddler sons.	8 Lenora Collier, Galcom VAR, is teaching a ladies' Bible study each Tuesday on the book of John. She is doing all the studying and preparing each week. She asks prayer that the attendees will grow as they attend the study.	9 Audio Scripture Ministries (ASM) records and distributes audio Bibles in Oaxaca, Mexico. With travel restricted, they have been able to minister to the migrant-worker population near their office in Michigan. Pray for this new outreach.	10 Accountant Andrea McGuirl keeps busy overseeing Galcom's finances here in the office, while helping husband Al oversee their farm and two boys when she's at home. Pray for rest in her busy life!	11 The same migrant workers who worked in Michigan's blueberry fields in September have now travelled to Plant City, FL, right near Galcom USA's office. Pray as Tom Blackstone continues the outreach to these Mexican workers started by ASM.	
13 	14 Harvey Greer is one of our few volunteers whom we have been able to have back into Production; he is asking us to pray for his family members who don't know the Lord.	15 Praise God for Scott Beigle and the team at Faith Radio in Tallahassee, FL, first to give towards our radio outreach in Quebec. Pray as applications for repeater stations go to the CRTC soon, several of which were funded by Faith Radio.	16 Gourville Bezuidenhout travelled with a Galcom short-term team to Haiti several years ago, and has just become the newest member of our Board. We praise God for bringing us people with experience and a love for Him.	17 Pierre-Yves Mutrux is currently focusing his skills and attention on getting our new Compass player tested and production-ready. His vast field of knowledge has been a literal godsend to Galcom. Thank you, Lord!	18 Please pray for Eric Perron, CEO of Aujourd'hui l'Espoir, as he launches Radio Espoir in Quebec in the new year. This province is an unreached people group and desperately needs to hear the Gospel.	19 Gary Gerard serves on Galcom's Board and brings a career of fundraising experience with him. Pray that we will be able to continue to tell the story of God's work through Galcom in a way that brings honour to Him.
20 Urgent requests have come from WIND FM in Mongolia for more radios. Their network of 11 stations is reaching thousands daily with church services, and vital health and wellness info related to the COVID-19 outbreak there.	21 Pray for Galcom Director Tim Whitehead's continuing ability to rethink our policies and focus, as he has to navigate the constantly changing business guidelines during the pandemic. His creativity and flexibility have been invaluable!	22 FEBC Cambodia is partnering with the Child Protection and Development Center on a radio program called "Open your eyes", which speaks against domestic violence, exploitation, and human trafficking. Galcom provides radios to FEBC.	23 Roger and Heather Ewald represent Galcom in Washington, US. There may be some changes in the living situation of their grandchildren, and they seek prayer for God's will to be done in the lives of these two boys.	24 In late October, our affiliates in Mozambique advised that their 300 ImpaX were held up in customs with demands for new documents. This is becoming common around the world. Please pray for God to protect our shipments.	25 Rejoice with Al and Shelley Wyatt! Their new grandson, Jonah David, was born on October 22 to their son, Scott, and daughter-in-law Hannah. The new family of three is doing very well, to everyone's great joy!	26 What an asset Herb & Jane Klassen are to Galcom! Not only are they helping with radio production from home, but they also assisted with mailing our banquet invitations this fall in a marathon weekend of envelope stuffing.
27 	28 Our sister ministry, MegaVoice, opened a new office in India at the end of 2019 but were locked down because of COVID. Please pray that God will help them through this difficult time and restart their vital work there.	29 Rodney Loewen has finally been able to get back into Galcom to help on the Production floor after our lengthy shutdown to volunteers. We're so glad to have him and his joyful smile back! Pray for a good day for him.	30 Pray for our affiliates in Indonesia, Radio Dian Mandiri. They have been a lifeline to remote islands which don't have access to doctors and health information. Their daily Gospel broadcasts have been including practical help as well.	31 2020 has been a strange year for Faye Whatford in public relations, with most of Galcom's activities cancelled and conferences going virtual. Pray for creativity and new ideas on connecting with our ministry partners.		

SUNDAY

MONDAY

TUESDAY

WEDNESDAY

THURSDAY

FRIDAY

SATURDAY

JANUARY 2021

3

KFM Radio airs in several northern Ontario communities. Tune in on Sunday at 8:30 am EST to hear Impact Radio, as Galcom's director Tim Whitehead shares exciting stories of what God is doing around the world.

4

Mitch Whatford has stepped in as Production Supervisor to keep the radio orders going out; not always an easy task with supply-chain delays and limited volunteers allowed! Pray for God-given increases in his energy and ability.

5

Today, lift up Radio Espoir's new station manager Genevieve Labadie, as she hosts on-air programs and sets up the programming schedule for this brand-new Christian station to be launched in Quebec this year.

6

Engineer Roelof Datema serves on Galcom's Board and brings a wealth of knowledge and experience with him to our meetings. He also wants to make a fourth trip to Greenland to add one more repeater station.

7

Jonathan Germain worked with Galcom throughout the summer as an intern, and continues to help out one day a week as he attends Redeemer University, studying theology. Pray as he seeks God's guidance for his future.

8

Pray for Pastor Art Joyce and his wife Dianne as they lead Chilcotin Log Church, which is the location for a new NOFC radio station our team installed in August to reach the Stone and Anaham First Nation communities in BC.

9

Board member Jeremy Doortens is the Canadian Director of e3 Partners, which leads mission trips worldwide that are now grounded because of COVID restrictions. Pray as they continue to support Indigenous pastors.

10

Praise God for Decatur Baptist Church in Alabama, who generously raised funds towards rebroadcast stations in Quebec. With their support, tens of thousands will be able to hear the God News of Jesus daily through radio.

11

Lift up Alastair and Shelley Wyatt today; they are waiting for the day when they can again lead radio-distribution teams around the world. Pray that they will soon be able to minister to people through the gifts that God has given them.

12

Pray for our long-time affiliates in the DR Congo, Richard and Kathy MacDonald. They operate Radio Kahuzi, a short-wave station that covers most of the country and neighboring Rwanda. They eagerly await our new Compass player.

13

Chris Lane is a volunteer who has continued working for Galcom, making weekly pick-up and drop-off visits, and then soldering and assembling the radios from his home in Hamilton, ON. We give thanks for him!

14

Allan & Florrie McGuiir have weathered the COVID storm very effectively; being confined to home for a few months did nothing to halt their productivity! Pray for continued good health and ministry opportunities.

15

Pray for Radio Logos in Pogradec, Albania. This long-time Galcom affiliate has distributed thousands of radios and has a specific focus on training leaders to lead the assemblies that they have planted.

16

17

Part of an order of 1,000 audio Bibles is going by sea cargo to SIM's Rick Bradford in Nigeria. He and wife Martha plan to carry the rest when they return from furlough. Pray for their ever-expanding ministry to the Fulani people.

18

Kevin Baker has installed towers in Alexis Creek, BC; Dryden, ON; and Norway House, MB so far this year. Pray that he will be able to serve overseas soon, as our affiliates in Belize and Haiti need help with their towers.

19

FCC Radio in Solwezi, Zambia has an impactful outreach to their community. Along with church services and school lessons, they air maternal-health and infant-care information in this remote, underserved region.

20

Ron Huinink represents Galcom on the Board, as a VAR, and also helps install radio towers. He asks prayer that the busyness of everyday things doesn't distract him from true priorities of life; namely, keeping God first.

21

Ron Huinink represents Galcom on the Board, as a VAR, and also helps install radio towers. He asks prayer that the busyness of everyday things doesn't distract him from true priorities of life; namely, keeping God first.

22

Pray for SonSet solutions; this unique engineering ministry is providing advice on our AM/shortwave antenna for the new Compass player. It is a blessing to have like-minded friends spreading the Gospel through radio.

23

Kingfisher FM (pun intended!) uses the platform of radio to see the Kingdom of God established in Port Elizabeth, South Africa. You can stream the station online at kingfisher.co.za; tune in to Impact Radio on Saturday at 11:00 pm South Africa time.

24/31

Pray for Media 7 of Tirana, Albania as they launch the first Christian radio station in Macedonia. COVID lockdowns delayed the installation: a Galcom transmitter sat in our warehouse for 5 months before it could be delivered.

25

Barbara Sehn visited Peru in 2019 with Galcom, and is eagerly awaiting open borders so she can return. In the meantime, she helps out with radio production from her home in Kitchener, ON. What a blessing she is!

26

Pray for 3,000 ImpaX going to South Sudan this winter, the result of a partnership of Galcom, PSG, One Tribe, Radio South Sudan and Reaching Mankind for Christ. We have never worked with so many ministries on one project before.

27

Joan Cushnie serves on Galcom's Finance Committee and has a mind for numbers, but a heart for prayer. She is a prayer mobilizer at her church and supports many missionaries and ministries through prayer.

28

We recently welcomed Kevin Horan to our team; we thank Global Recordings Network for seconding him to Galcom. He will assist on important IT projects, including a new online-ordering system for our radio affiliates.

29

An order of ImpaX parts was sent to the Kent Media Centre in India this past summer as a test run for radio assembly there. The parts never arrived. Pray for this system to work to reach the billion+ that live in India.

30

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	1 Galcom partners with Radio Bendición Divina radio station in Peru, run by Teodoro Quispe and his wife, Vilma. They work tirelessly to bring God's word to the people who live in remote mountain locations.	2 Radio Bendición Divina in Peru recently hosted a call-in show, and was inundated with calls from listeners saying how much they appreciated Galcom and the <i>puca</i> (red) radios with the Quechua Bible on it.	3 Pray for one caller to Radio Bendición in Peru: a little 8-year-old girl called in to request a Galcom radio for her family. The radios there are truly a lifeline for the Quechua in their isolated villages in the Andes.	4 Pray for Clive Welsh of Lighthouse Radio in Belize, as Galcom plans a major repair and upgrade to his station on San Pedro Island. Sea air has badly rusted out his tower and cables. We need borders to open so our team can do the work.	5 Please pray for Radio Espoir Engineer Tim Wright, a missionary with ABWE Canada. He is serving in Quebec but hails from the United States, and we praise God that his and wife Richelle's permanent-residency status has just been granted.	6 Harvesters FM operates stations in Canada's eastern provinces, but their worldview is global; they are praying for pastors in India who are planting churches and preaching the Gospel, often under great persecution.
7 We praise God for our newest station airing Impact Radio, CHRB 1140 AM out of High River, AB. You can hear Impact Radio on Sunday at 4:30 pm MT, or stream the station live at HighRiverOnline.com.	8 Henry Van Beek is a long-time friend of Galcom, but has recently joined the regular volunteer crew to work on the radios from his home in Burlington, ON. Galcom can hardly keep him supplied with parts!	9 We're rejoicing with Every Village, our ministry affiliate in South Sudan. All 5,000 radios recently shipped there arrived safely and were distributed, half to the county of Mvolo and half to the small city of Tonj. Praise God for this!	10 Diane Roberts helps many ministries with administrative help and serves as the Secretary of Galcom's Board. Please pray for continued health, strength and wisdom as she uses her skills and experience to further the kingdom of God.	11 Pray for the 5,000 radios flowing through Galcom's production floor at the time of writing this newsletter. They are fix-tuned to two different radio stations, and Every Village is anxiously awaiting this shipment!	12 Kurt Davis is the longest-serving active Board member, currently holding the office of Treasurer. Please pray for his family as they serve in several ministries, including his daughter and son-in-law who are missionaries in Eastern Europe.	
14 	15 Pray for Jessica Lindsay, Galcom's Partner Services Coordinator. That title covers many roles! Jessica has been the lead on our Social Media campaigns; pray that she can continue to innovate and inspire in this important field.	16 In Aweil, South Sudan, Every Village held its 6 th annual pastors' conference this past October. It was the largest one yet, with 1,157 in attendance. Praise God that they are able to encourage and equip so many pastors in South Sudan!	17 Please pray for Ahoban Radio Ministry and Director Pradyot Mondal in India. Galcom's shipment of 500 ImpaX to the cyclone-impacted region of Sundarban were held in customs; a high price had to be paid for its release.	18 Joe Leite in Surrey, BC will often advise us on travel plans based on his work experience at Air Canada, as well as being an enthusiastic representative for Galcom! He asks for prayer for his grown children to know God personally.	19 Our new Compass radio/audio players are progressing well, after being stalled so long in development. Pray for our Technology department as they devote endless hours to getting it production-ready.	20 Radio Voz de Esperança has been a huge blessing in Guinea-Bissau. Their needs: if the tower were 15 m higher, broadcasts would be better, and rebroadcast stations would enable them to reach nationwide.
21 Galcom USA is praising God that a rush shipment of 100 ImpaX arrived at the end of October in Santa Cruz. Pray that the radios will make it 800 km more to the station in Guayaramerin, Bolivia; there is a 90% COVID infection rate there.	22 Galcom Board Vice-Chairman Harald de Jonge has travelled to Haiti several times. He is a prayer warrior and provides sound counsel for the organization. Please pray for him, his wife Michelle, and children today.	23 Praise God for people whose lives have been changed by radio! Camp Majji refugee Jane Amadio in Uganda has had her ImpaX 2 years now, and says that her family has been transformed by prayer and Bible teaching.	24 Alastair Wyatt has been growing into his new role as Missions Team Lead; pray for his safety on the 100-ft towers he helps install and his ability to keep on top of the extensive paperwork involved.	25 Pray for the 1 million Kayastha Sribastab Hindu people. Historically scribes, today they are professionals who often speak English as well as Hindi. There are no believers reported among them.	26 Back into Galcom's Production department is George Donner, our resident repair expert of any faulty circuit boards. We are grateful for his electrical expertise and ability to troubleshoot so effectively. Lift him up in prayer today.	
28 Rob Kapteyn serves as Galcom's Board Chairman, is on his church Board, and works full-time keeping the lights on in Ontario with the Power Authority. Please pray for him as he balances all these responsibilities.						FEBRUARY 2021
