

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
 <p>Gjirokastra, Albania</p>	<p>1</p> <p>We at Galcom feel the deepest gratitude towards our donors who have sacrificially given to support our ministry during these uncertain financial times. How grateful we are to have you partner with us to send the Gospel to all the world!</p>	<p>2</p> <p>Ken Tompkins works with Galcom from his new home in Nova Scotia, and asks for prayer that he will be able to settle into his community and church despite the restrictions they have faced during the pandemic.</p>	<p>3</p> <p>Stephen Patterson partners with Voice of the Martyrs, working to distribute audio Bibles across Nigeria. He tells wonderful stories about how the players often open a door to connection with the Hausa and Fulani people he meets.</p>	<p>4</p> <p>Gourville Bezuidenhout is not only a Galcom Board member, but also performs various duties at his local church. Pray for God's leading as he steps into the many roles of leadership to which he is called.</p>	<p>5</p> <p>Mike Gwartney, featured in past editions of this newsletter, is planning to order his 9th OmniStation from Galcom this month! Pray for Radio South Sudan and the local stations he has helped set up.</p>	<p>6</p> <p>This week on the Mission Compass radio show, Tim will be interviewing Grant Whatford, brother of Production Supervisor Mitch Whatford, on the ministry he and his wife Janis are doing with the homeless in London, ON. Don't miss it!</p>
<p>7</p> <p>Hope Church Toronto West has necessarily shifted their focus from gatherings to reaching out to their community, distributing meals and gifts. Their desire is to open a compassion centre nearby. Pray for wisdom in this.</p>	<p>8</p> <p>Nations One, a ministry of NEFC, has been working with Galcom to install numerous radio stations across First Nations territories in 2020, as international travel has been restricted. Pray for the outreach to these remote communities.</p>	<p>9</p> <p>Kevin Baker, Galcom's field technician, has been working with Dan Hatfield, CEO of Nations One, and travelling to the far corners of Canada to install the radio towers. Pray for his continued good health and safety 100 feet up!</p>	<p>10</p> <p>Please lift up our beloved volunteer Walter Dickson in prayer today. He has been recently diagnosed with leukemia and is going through chemotherapy and bone marrow tests. This has been very hard on his wife, Dorothy, as well.</p>	<p>11</p> <p>Galcom USA is following God's leading; the pandemic has redirected them from radio-distribution trips to reaching migrant workers from Mexico who have travelled to the Florida area for harvesting work. Pray for this effort!</p>	<p>12</p> <p>Michelle Cope works two full-time jobs in half-time hours as she processes Galcom orders and shipping from home, and also cares for her four small children. Pray for the work-life balance she must maintain with her crazy schedule!</p>	 <p>Albanian Market</p>
<p>14</p>  <p>Kruga, Albania</p>	<p>15</p> <p>Please pray for SIM missionary Ben Schroeder, as he continues to use Galcom's solar-powered audio Bibles as an outreach to the Muslim Fulani people of Nigeria.</p>	<p>16</p> <p>Bob and Brenda Gaines, Galcom's VARs in Barstow, CA, ask prayer for their area and their local hospital, which is so overwhelmed with COVID patients that they have erected a field-tent hospital to handle the overflow.</p>	<p>17</p> <p>Radio Emanuel is rejoicing to learn that they have finally received their licence renewal. Please pray that they will also get their repeater licence, as they aim to reach further into the southern area of Albania.</p>	<p>18</p> <p>Bethel Baptist Church in Strathroy, ON is hosting online Alpha meetings to invite unchurched friends into conversations about life, meaning, and faith. Please pray for the pivotal March 18th and 19th meetings.</p>	<p>19</p> <p>Galcom is currently making 6000 audio Bibles for Persecution Project, who distribute them to Muslims in South Sudan—one of the most dangerous places in the world for Christians. Pray for the safety of their workers!</p>	<p>20</p> <p>All of our radios are labelled with the station and language on them, thanks to Ann Seagrove, who continues to volunteer as she picks up supplies and works from her home. She is a blessing to Galcom.</p>
<p>21</p> <p>Decatur Baptist Church in Alabama has partnered with Galcom for several rebroadcast stations in Quebec with a vision to plant evangelical churches across the province. We thank God for their partnership in this project!</p>	<p>22</p> <p>Lynn Baker, our Western Area Rep, asks for prayer as she continues to learn her role in representing Galcom on Zoom and over the phone. Please pray that God puts her friendliness and compassion to further good use!</p>	<p>23</p> <p>With Pioneer mission trips halted to Bolivia due to COVID, Hector Mamani is continuing the work of distributing Galcom's little red radios in his home country. Pray for him as he visits remote villages in the Andes Mountains.</p>	<p>24</p> <p>Galcom is currently working on a large order of 2000 radios for FEBC Mongolia. Pray for our volunteers working from home and the Production department, as they manage the coordination of all of the materials going in and out.</p>	<p>25</p> <p>FEBC Mongolia has also requested some of Galcom's equipment to change the station on radios that had been fix-tuned to one station, and then the government changed their frequency. Pray for their success on this project.</p>	<p>26</p> <p>Please pray for the Loba people in Nepal. Numbering only 2600, this group are zealous in Tibetan Buddhism. Some years ago they had their first contact with Christians; pray this brings a spiritual awakening among them.</p>	 <p>Donkeys in Albania</p>
<p>28</p> <p>Arlington Woods Free Methodist Church in Nepean, ON, would love prayer for the good mental, spiritual, and physical health for the congregation as they weather the COVID restrictions on their gathering.</p>	<p>29</p> <p>After months of delay because of COVID lockdowns, 1700 radios have arrived at New Life Radio and Uhai Radio in Tanzania, subsidized partly by YNOP in Montana. Pray for this ministry's ongoing outreach in Tanzania.</p>	<p>30</p> <p>Radio Uhai, who will receive some of the radios to Tanzania, plans to distribute them in villages, prisons, and a leper colony near Tabora. We praise God that the radios are about to change so many lives!</p>	<p>31</p> <p>Pierre-Yves Mutrux came to Galcom from Europe, and the time has come for him to renew his immigration status—never a simple process! Please pray that he can accomplish this quickly and with a minimum of fuss.</p>	 <p>Berat, Albania</p> <p>MARCH 2021</p>		

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
 <p>APRIL 2021</p> <p>4</p> <p>Faith Gospel Church is one of Galcom's original partnering churches. They continue to support Allan McGuirl, our Founder, and Ken Tompkins, our Audio Library Coordinator. May God bless their gathering today!</p> <p>5</p> <p>Cathy Horvath, our Production Administrator, seeks your prayers for her children: that Steven will find an affordable place to live, and Rachel will gain employment in the law-enforcement field after her university graduation in May.</p> <p>6</p> <p>Pray for Bonnie Sala and Guidelines ministry as they endeavour in 2021 to translate their daily devotional programs into three more languages: Syriac, Thai, and Isan.</p> <p>7</p> <p>One of our newest volunteers is Phil Bartels, who has been picking up the supplies to assemble radios at his home, in addition to working full-time. We appreciate his incredible dedication to Galcom.</p> <p>8</p> <p>Link Charity is a fellow ministry to Galcom, and helps people invest and set up estate planning in a way that honours their interest in missions and leaving a legacy of faith. Pray for Link Charity's success!</p> <p>9</p> <p>Günther Eichmann has joined the Galcom team to contact our donors about estate planning in conjunction with Link Charity. He asks our prayers for his sensitivity and communication to reach people in a helpful way.</p> <p>10</p>  <p>Günther Eichmann</p>				<p>1</p> <p>Dave Casement oversees station installations from his home in Kingston, ON. Pray for good health and excellent communication as he connects remotely to Galcom—not always an easy task.</p>	<p>2</p> <p>Mercy Indonesia operates Christian radio stations that reach numerous small islands in the Pacific Ocean. Pray for this group of largely Muslim and animistic people, as they tune in and hear words of hope across Indonesia.</p>	<p>3</p> <p>Here's hoping 2021 will be a little more normal for Galcom, and that Faye Whatford can get back to planning and organizing the usual events that have been on pause since last March.</p>
<p>11</p>  <p>Sucre, Bolivia</p>	<p>12</p> <p>Pray for Don McLaughlin of High Adventure, as he re-establishes his ministry in the refugee camps of Uganda after a year of being kept out of the country because of COVID travel restrictions.</p>	<p>13</p> <p>Pray for Tom Blackstone, Executive Director of Galcom USA and Galcom Canada Board member. When the shutdowns hampered Galcom USA's planned mission trips, they shifted to emergency supplies for people in India and the DR.</p>	<p>14</p> <p>Kevin and Ruth Horan of Global Recordings Network need our prayers for favour in the immigration process. They are currently serving in the States, but Kevin has been seconded to Galcom to work in our Tech department.</p>	<p>15</p> <p>Pray for Jeremy Doorten, Galcom Board member and the Canadian Director of e3 Partners. This ministry, which leads mission trips, has been challenged by travelling restrictions during the pandemic.</p>	<p>16</p> <p>FEBC Kyrgyzstan has placed an order with Galcom for 1000 radios to equip their growing radio ministry. Pray for this organization as they increase their reach in this largely Muslim nation.</p>	<p>17</p> <p>Irv Litke helps out with production for Galcom from his home when he is not working on assembling OmniStations. We praise God for such multitasking people who lend their considerable skills to our ministry.</p>
<p>18</p> <p>After several years as our Production Supervisor, Steve Moore has decided to stay home full-time with his young family. We pray God's richest blessing and provision for him, wife Esther, and kids Mabel and Humphrey!</p>	<p>19</p> <p>We're pleased that Mitch Whatford, who has been filling in for Steve Moore, has agreed to stay on permanently with Galcom. Please pray for Mitch in Production as he continues to navigate order fulfillment during the lockdown.</p>	<p>20</p> <p>Pray for Faith Tech, a unique ministry that pairs high-tech volunteers with ministries that need their services. Faith Tech helped Galcom develop a cellphone application to enable users to easily connect to our radio affiliates.</p>	<p>21</p> <p>Nick Chosen, Galcom volunteer, has surpassed 16000 solar panels soldered, an amazing accomplishment! He is waiting for travel restrictions to ease so he can take a hiking/biking trip and feel some freedom.</p>	<p>22</p> <p>Radio 4VEH in Cap-Haïtien desperately needs to replace their tower, which is almost completely rusted through. Pray for the finances to replace it, and open borders so Galcom can send technicians to install it.</p>	<p>23</p> <p>We have a brand-new VAR in Gatineau, QC! Louise Claros has joined the our team officially, but she has been on many trips with Galcom, using her love of God and fluency in three languages to make an impact for Christ.</p>	<p>24</p> <p>Faith Radio Network in Tallahassee, FL, airs our weekly radio program, now called Mission Compass, today at 1:30 pm. Pray for their continued outreach to inmates in the local jails.</p>
<p>25</p> 	<p>26</p> <p>We thank God that Ahoban Radio finally received the 500 emergency radios that Galcom sent last year; the Sundarbans region of India is still recovering from a cyclone, and the radios connect the people with help.</p>	<p>27</p> <p>Allan McGuirl has not let the COVID restrictions slow him down; he has been recording the devotional portion of the Mission Compass show with Florrie, and has also been raising awareness of the Quebec radio project.</p>	<p>28</p> <p>Iain Sommerville has continued faithfully testing and installing solar panels into our radios from his home; he just surpassed 16000 units completed! Pray for his continued good health and energy.</p>	<p>29</p> <p>Clark Hannah has been staving off boredom by doing an incredible amount of work for Galcom. He has the detail-oriented job of assembling keypads, which require a keen eye and careful touch. Pray for him today.</p>	<p>30</p> <p>Please pray for Marquez and Zara Valderrama in Peru. They provided the beautiful music at our virtual banquet in 2020. Marquez's sister and nephew have succumbed to COVID; may the Holy Spirit comfort this grieving family.</p>	 <p>La Paz, Bolivia</p>

Grasslands, West Africa

Chris Lane visits Galcom regularly to pick up supplies for soldering radios together—he has completed over 6000 of them while sitting at his kitchen table. There's dedication for you!

West Highland Baptist Church in Hamilton, ON boosted Galcom by making the Radio Espoir project in Quebec the focus of their special Christmas giving initiative. They have a huge heart for missions.

Please pray for Andrea McGuirl, our accountant, who has been navigating the year-end financials among new COVID-19 regulations and programs. She excels at this very detail-oriented work!

Raina Whatford, who edits the Mission Compass radio show, is graduating from high school this year, and plans to take a year to work before starting her training to become a paramedic. Pray for wisdom and her spiritual growth.

Benton Street Baptist Church in Kitchener, ON, continues to support missionaries overseas, as well as reaching out to the people of their community. Tim Whitehead joins them today to share Galcom on their Zoom prayer meeting.

Pray for the largest unreached people group in the world, the 11M Arain in Pakistan. They practice Islam and are considered a "frontier" people, meaning that there are 0.00% Christians, according to the latest census data.

Roger and Heather Ewald, Galcom VARs in Kirkland, WA, ask prayer for their extended family as the living situation of their grandchildren is in flux. Pray for stability in the lives of their two grandsons, aged eight and nine.

Yoruba Musicians

Hank Veenvliet, Galcom volunteer, has been faithfully helping out with radio assembly. Please pray God's healing touch for his daughter, who is sick with cancer and has two small children.

Radio Mosoj Chaski (New Messenger Radio) broadcasts Christian teaching over all of Bolivia and southern Peru in the Quechua language; pray for reliable equipment and receptive hearts.

Tim Whitehead, Executive Director, has had quite the task keeping Galcom functioning while keeping abreast of all of the restrictions, changing guidelines, etc. Pray for him as he anticipates a return to normal!

Pray for Pierre-Yves and his tech team as they put the initial Compass units out for field testing and work out any glitches. We are excitedly waiting for production runs of this advanced new product!

Although Al and Shelley Wyatt are not able to lead mission teams right now, they are busy working in production and with the VARs. Al has programmed 1000s of audio Bibles in various languages. Pray for these mission tools.

Dave and Eleanor Pohl continue to make themselves indispensable at Galcom by filling in whatever assembly gap we have: soldering, keypads, labelling, and even emergency envelope stuffing!

We pray for a lessening of COVID restrictions so we can again welcome volunteer groups from Lighthouse Gospel Church in Port Burwell, ON. They were faithfully sending work teams to Galcom to make radios before the shutdown.

Isolde Reuter is greatly missed at Galcom these days as a volunteer. Please pray for her complete healing from a fall that left her with a concussion. We look forward to your return, Isolde!

Pray for Appaleq Petersen and the radio ministry he leads in Greenland. A couple of stations require repairs, and Galcom sent some needed replacement equipment.

Partner Services Coordinator
Jessica Lindsay has been busy during the pandemic with the uptick in our mailings and emails, especially with not being able to connect with our partners in person. Pray for perseverance and patience.

Pray for the Quechua in Bolivia today. Mainly Christian and renowned for their tremendous work ethic, their literacy rate is low and they are often in remote villages without a pastor. The Galcom radios brought in by Pioneers are highly valued.

George Donner not only looks after most of the radio repairs Galcom needs done, but also helps out with Production, soldering circuit boards at his home in Hamilton, ON. We thank God for this skilled volunteer.

Burkina Faso

Cloth Market, Ghana

Jonathan Germain continues to work a day a week in production, in addition to his second-year studies in Theology at Redeemer University. His friendly smile and hard work is a great addition to Galcom!

Part of a radio's construction involves fixing the speakers into the front cover, which is what Barbara Sehn has been volunteering on from her home in Kitchener, ON. We appreciate her partnership in creating our "portable missionaries"!

Ron Huinink not only serves on the nominating committee of the Galcom Board, but also works full-time in the tech field. Pray for him and his family as he juggles his demanding schedule.

Pray for James Hutton, R&D team member, as he helps with the last tasks to complete the Compass Player. He gives what time he can to Galcom after his wife, his twin boys, and his seminary studies.

Henry Van Beek, Galcom volunteer in Burlington, ON, has been assembling huge amounts of radios—so much so that Production has trouble keeping him supplied! We thank God for him and his abilities.

Herb & Jane Klassen are a dedicated couple of volunteers who work on assembling our time-consuming keypads, and can always be counted on to fill that need for Galcom. Pray that God will bless them today.
