		<b>1</b> Pierre-Yves Mutrux is on "virtual furlough" until mid-June. As he is not able to travel to Europe, he and wife Christine are instead meeting online to update supporters on their Galcom work.	<b>2</b> Travel restrictions and materials shortages have delayed the launch of Radio Espoir, the Christian radio station in La Chute, Quebec. Pray for Toe-Blake Roy as he prepares for the renovations to the station building.	<b>3</b> Kevin and Lynn Baker are looking forward to in-person meetings starting again so they can share about the Galcom ministry. Pray these issues are resolved.	<b>5</b> Marquez & Zara Valderrama, our affiliates in Peru, are recovering after an extremely difficult year being sick with COVID and other illnesses. Please pray for the terrible toll COVID has taken on Peru!

 <p><b>JULY 2021</b></p>				<p><b>1</b></p> <p>New Life Prison Ministry received another 1000 clear-case audio Bibles this past December. The chaplains who distribute them are grateful they are loaded with the full Alpha program—an easy introduction to the Gospel.</p>	<p><b>2</b></p> <p>Please pray for the prisoners receiving the Envoy audio Bibles. New inmates have to quarantine in solitary for two weeks, and they say the audio Bible is like having a series of visitors as they sit alone in their cell.</p>	<p><b>3</b></p> <p>Galcom is still waiting for the chance to start organizing mission trips again. In the meantime, Al Wyatt is helping in production, and Shelley Wyatt is developing curriculum for Galcom's VARs and the MissionPREP ministry.</p>
	<p><b>4</b></p> <p>This week, Tim Whitehead will be away with his family, sharing the ministry of Galcom as Elim Lodge's Missionary of the week. Pray for his ability to convey the passion we have to reach the lost!</p>	<p><b>5</b></p> <p>On a recent Mission Compass interview, we learned about the desperate situation of Moldovan orphans. Pray for Little Samaritan Mission as they reach out through radio and to the orphanages.</p>	<p><b>6</b></p> <p>Cathy Horvath has been missing the company of our volunteers back in Production; she is often finishing and testing the ImpaX units the volunteers have worked on off-site. Pray for her endurance and discerning eye.</p>	<p><b>7</b></p> <p>Please pray today for Clive Welsh of Lighthouse Radio in Belize. A failing tower means they have been off-air intermittently and Galcom volunteers cannot travel to the island to restore it.</p>	<p><b>8</b></p> <p>James Hutton continues to train at Heritage Seminary as a pastor while he lends his engineering capabilities to Galcom's Tech department. Pray for God's clear guidance on his future vocation.</p>	<p><b>9</b></p> <p>We receive monthly newsletters from Krusa (Love) FM in Cambodia, detailing their efforts to share the Gospel. <p><b>11</b></p> 	<p><b>12</b></p> <p>Pray for Galcom's efforts to get ImpaX players to the Kent Center in Hyderabad, India. We need a breakthrough on how to ship units into the country without exorbitant customs fees.</p>	<p><b>13</b></p> <p>Raina Whatford has edited the Mission Compass radio show for several years now; as she starts to work full-time, she will be handing the reins over to her brother, Moore. Pray that the transition goes smoothly.</p>	<p><b>14</b></p> <p>Galcom belongs to the International Orality Network. Pray for ION's mandate to connect the ministries that are involved in reaching orally-based cultures—because 70% of the world doesn't learn by reading.</p>	<p><b>15</b></p> <p>We ask prayer for Kevin Baker today as he helps with Nation One's radio-station installation projects in First Nations communities. We are already hearing good reports about the blessing of the broadcasts in indigenous languages!</p>	<p><b>16</b></p> <p>Please intercede for the equipment Galcom has sent to Radio Shi Maji in Goré, Chad. Unrest in the area means that plans for the station's upgrade have stalled, with the equipment presently stuck in transit.</p>	<p><b>17</b></p>  <p>Pray for Roelof Datema, who brings his experience in engineering into play as a member of Galcom's Board and provides excellent counsel to the ministry.</p>
<p><b>18</b></p> <p>Last year we had to retune 1000 radios for Favor Africa after the government changed their station's frequency. Pray for a speedy distribution of the radios after lengthy shipping delays.</p>	<p><b>19</b></p> <p>Lynn Baker phones Galcom donors to thank and pray for them. Pray that God would give her wisdom and insight for each person she talks with.</p>	<p><b>20</b></p> <p>There's good news out of Global Recordings Network: senior staff member Lot Ganoi has been chosen as the next director for GRN Thailand. Pray for wisdom and God's leading as he steps into this new role!</p>	<p><b>21</b></p> <p>We miss Galcom volunteer Tom Flack and his great smile! They use humour and engaging videos to open a dialogue with their audience.</p>	<p><b>23</b></p> <p>Andrea McGuirl, Galcom Accountant, works diligently to make sure our extensive audit goes smoothly and every penny is accounted for! She has had some health issues recently; pray for complete healing.</p>	<p><b>24</b></p> 
<p><b>25</b></p>  <p><b>Amarjargal from Mongolia</b></p>	<p><b>26</b></p> <p>Pray for this listener from Mongolia: "I am Amarjargal. I have been listening to FEBC since a Galcom radio was given to me. Due to the pandemic, the churches are closed. Thank you for airing such useful programs."</p>	<p><b>27</b></p> <p>FEBC Mongolia is awaiting 2000 more radios for distribution to eager listeners in their area. We receive encouraging testimonies, like the one yesterday, from people whose lives have been changed by the radio broadcasts.</p>	<p><b>28</b></p> <p>Dave Casement, our Station Technician, keeps busy coordinating radio-station installations from his home in Kingston, ON. Pray for the challenges of keeping organized while working remotely from the office!</p>	<p><b>29</b></p> <p>Pray for Empower to Transform, Galcom's new partner in all things solar-tech. Pray for God's blessing on his future endeavours.</p>	<p><b>31</b></p> <p>Pray for Russell Stendal, Galcom's long-time affiliate, as he distributes 1000 ImpaX in Venezuela, tuned to his shortwave station broadcasting out of Colombia across the border.</p>

Pray for her endurance!	<b>10</b> The 200 people on North Sentinel Island in India may be the most isolated people group in the world. So adverse are they to strangers, they attack any who try to approach. Nothing is known of Sentinelese beliefs in God.	<b>11</b> Kurt Davis not only serves as Treasurer on Galcom's Board but is also on the Board of The Gospel Coalition and is heavily involved at his church. <b>29</b> 	<b>30</b> Pray for Mitch Whatford. He has assumed leadership of production, which has been incredibly challenging during Ontario's many COVID shutdowns.
