 <p><b>DECEMBER 2021</b></p>			<p><b>1</b></p> <p>Our new Galcom recording studio is finally completed; you may have seen it in use for our virtual banquet in October! We thank God for this new resource and the efforts of staff and volunteers in finishing it.</p>	<p><b>2</b></p> <p>Tomorrow, pray for Alastair &amp; Shelley Wyatt while they visit a home-schooling group in Simcoe talking about Galcom and Christmas in Peru. They will serve hot chocolate and panetone, traditional Peruvian Christmas foods.</p>	<p><b>3</b></p> <p>It took a year and the re-tuning of 1,000 radios because of a government frequency change, but the radios we provided for Favor Africa have finally been deployed in Uganda and South Sudan. Pray for a great harvest.</p>	<p><b>4</b></p>  <p><b>Favor Africa, South Sudan</b></p>
	<p><b>5</b></p>  <p><b>Dan &amp; Michelle Cope</b></p>	<p><b>6</b></p> <p>Busy mom Michelle Cope always needs prayer for balance in juggling work and her kids' activities, especially with Christmas coming and trying to get Galcom radio shipments out before the end of the year. Pray for endurance!</p>	<p><b>8</b></p> <p>Radio Shi Maji in Goré, Chad received a permanent tower from Galcom in September to replace the temporary setup; pray for the safety and skill of the workers, as they have now started the installation.</p>	<p><b>9</b></p> <p>The team from Runa Simi in Peru is currently travelling from village to village in the Andes mountains, evangelizing to children with puppet shows and audio Scriptures. Pray for a rich harvest!</p>	<p><b>10</b></p> <p>Retired Danish missionary John Nielsen recently returned to Greenland to address issues within the church and equipment failures in the radio network we built there. Prayer for wisdom and clarity as we do our part to fix the problems.</p>	<p><b>11</b></p> <p>We recently sent funds to Solwezi Radio in Zambia for the local team to install a relay station connected to the mother station, vastly increasing the broadcast area to the north of Solwezi.</p>
<p><b>12</b></p> <p>Today, Tim Whitehead is speaking at Glenridge Bible Chapel in Niagara Falls, ON. Pray for this faithful assembly, who has partnered with Galcom for years in spreading the Gospel worldwide.</p>	<p><b>13</b></p> <p>Pray for our production team of staff and volunteers as they race to complete 5,000 more radios for Every Village. We have 5,000 already completed; all need to ship by year-end. We start 2022 by making another 5,000 right away!</p>	<p><b>14</b></p> <p>TWR Canada has been a vital partner in the launch of Radio Espoir. While Galcom has handled the equipment end of things, TWR has supplied much of the funding and support for the programming. We praise God for them!</p>	<p><b>15</b></p> <p>Many of you met Dan Hatfield of Nations One virtually while watching our Banquet celebration. If not, check it out on YouTube! Pray for Dan and Kevin Baker as they continue to build radio stations on Indigenous territories.</p>	<p><b>16</b></p> <p>Pray for Ady Lanning, who oversees the more than 50 radio stations of Radio Dian Mandiri in Indonesia. Pray for his creativity and wisdom in reaching this largely Muslim nation.</p>	<p><b>17</b></p> <p>Pierre-Yves Mutrux and wife Christine fostered a baby girl for 16 months. She has now been adopted by a family with two boys and the transfer went very well. Please pray for the Mutrux family who are still grieving her departure.</p>	<p><b>18</b></p>  <p><b>Pierre-Yves &amp; Christine Mutrux</b></p>
<p><b>19</b></p>  <p><b>Roelof &amp; Mary-Ellen Datema</b></p>	<p><b>20</b></p> <p>Board member Roelof Datema is a top electronics engineer and has been vital in helping us make decisions regarding inventory procurement and watching global trends. Pray for God's continued blessing on him and wife Mary-Ellen.</p>	<p><b>21</b></p> <p>Rick Bradford, a missionary with SIM in Nigeria, recently joined the Galcom VARs via Zoom to share about his work among the Fulani people. He is so respected by them that he was recently asked to be a Fulani chief.</p>	<p><b>22</b></p> <p>Ben Schroeder also works with SIM Nigeria; his ministry is expanding to include gospel-music video production! Pray blessings on him and his new wife Gift (what an awesome name!).</p>	<p><b>23</b></p> <p>Galcom is trying to acquire additional certification for our products so we can ship them directly to other countries with more stringent customs requirements. New regulations and paperwork are making shipping a challenge.</p>	<p><b>24</b></p> <p>There are two orders funded by PSGI for Zambia and Kenya stuck in Galcom's warehouse because of red-tape restrictions from customs in these countries. Pray for a quick resolution so the radios can be shipped.</p>	<p><b>25</b></p> <p>For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. – Isaiah 9:6 Merry Christmas to you all!</p>

Their expertise is a great blessing to us.</p>	<p><b>28</b></p> <p>Andrea McGuirl has wrapped up her budgets for the new year, and takes only a breath before all the receipting for year-end begins! Pray for her health and endurance.</p>	<p><b>29</b></p> <p>Thru the Bible was translated into French years ago through the efforts of Aujourd'hui l'Espoir. Now that Radio Espoir is on the air, this excellent teaching will be a cornerstone of their daily programming.</p>	<p><b>30</b></p> <p>Remember George Sturm and the work at Radio Logos in Albania today. Last month they completed strengthening the network infrastructure so that the station can remain on the air even if one piece of equipment fails.</p>	<p><b>31</b></p> <p>Carolina, Galcom's social-media specialist, is currently working through her Master's at McMaster Divinity College. Pray for inspiration as she writes the many papers she has to submit, on top of working full-time.</p>	 <p><b>Carolina Bartholomew</b></p>
