

## IT'S BEEN AN INCREDIBLE JOURNEY!

Canada, 2022

As I reflect on the past years, it seems impossible to ever have envisioned what Galcom would become today or how many peoples, languages, tribes and nations would hear the good news of salvation through solar-powered radios and audio Bibles. I believe that there are two major aspects of this ministry that the Lord has blessed.

The first is prayer. We have attempted consciously to commit every facet of the work to the Lord seeking His guidance. That is why we say Jesus is the head of this ministry and that all glory belongs to Him. We cannot begin to count the many times, both at home and on the field, where the Lord has answered prayers in ways that

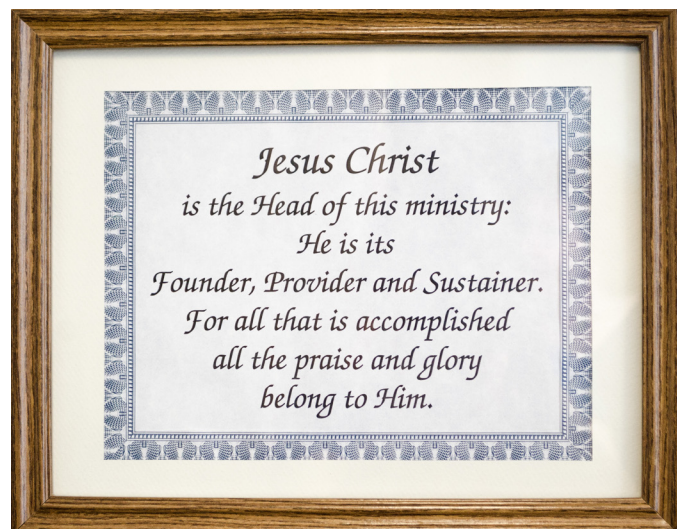

to providing the financial needs for a project. God has always been faithful.

The second is partnership. One of the great strengths of this ministry has been the practice of working alongside hundreds of partners, missions, and ministries worldwide. This joint outreach has effectively put technology into the hands of godly servants, multiplying their outreach a thousand-fold. As Romans 15:21 says, "Those who were not told about (Jesus) will see, and those who have not heard will understand."

As I write these words, I realize that on April 28<sup>th</sup>, 2022 I will have been involved in 50 years of full-time ministry.

## THIS IS THE LORD'S DOING; IT IS MARVELOUS IN OUR EYES. PSALM 118:23

were astounding: from travel arrangements, to supply of equipment, to arranging for the needed personnel,

This declaration hangs in Allan's office and throughout Galcom.

I can't help but marvel how God took a dyslexic young boy and allowed him to take this incredible journey. Although I will be retiring at the end of April, I will continue to be involved with Galcom in small ways.

Now, how do we say thank you to all those who have prayerfully and financially supported us? Your prayers have uplifted us through countless spiritual battles. Your financial gifts have made it possible for us to serve faithfully. We could not have continued in this ministry over all these years without you. It is because of you that so much has been accomplished.

*Thank you for standing with us.*
