 MARCH 2022		1 Last year, Galcom partially funded over 20,000 MegaVoice Envoy audio Bibles for various ministries. Pray for their director, Charles Cibene, as he and his team continue to develop effective tools for evangelism.	2 Please pray for VAR Rosemary Skuce's sister Cecily, who underwent eye surgery in February. Pray for Cecily to heal completely, and that she will now be able to see more than the sliver of sight she could before.	3 Moldova is the poorest country in Europe. Pray for Little Samaritan Mission as they distribute 500 Galcom radios and other humanitarian aid to orphans, seniors, and those most in need around them.	4 Carolina Bartholomew is taking on the new role of Outreach Coordinator along with her social-media work! She asks prayer for her 18-year-old son Daniel to discern God's leading in his career.	5  Carolina Bartholomew
	6  Faye Whatford	7 Faye and Mitch Whatford are part of the team en route to NRB 2022 to man the Galcom booth, sharing about what the ministry is involved in and demonstrating the new Compass player. Pray for good communication.	8 The National Religious Broadcasters Convention starts today! The team from Galcom will be busy meeting ministry affiliates and sharing the features of our new Compass player. Pray for good contacts.	9 Galcom's production area will be undergoing a facelift for the changed procedures involved in assembling the new Compass player. Pray for effective content in these hard-to-reach nations.	12 Board member Gourville Bezuidenhout's first connection with Galcom was a mission trip to Haiti with Hope Church Oakville. Pray for his ability to adapt to all of these changes.	17 Pray for Storly Michel and Radio 4VEH in Haiti as they struggle with continuing political upheaval. A new Galcom tower to replace their rusted one has been in customs for a long time, with no word on when it will be released.	18 Anti-conversion laws and crackdown on Christian ministries in India are making it difficult for Ahoban Radio to continue their evangelism efforts. Pray for their continued humanitarian outreach.	19 Shelley Wyatt's granddaughter Everly is one year old today! She is an answer to prayer and a gift from God. Pray for Everly's parents, Anne and Tom, as well.

Pray for the first batch of Galcom players on their way, to be distributed this spring.	23 After a two-year break, Galcom USA is holding their Partner Appreciation Banquet this evening in Tampa. Pray for God's leading for their adult children to find the unique calling He has placed on their lives.	26  Tim Whitehead

This is Allan and Florrie McGuirl's official sending church and have stood with them since they started with Gospel Recordings Network (now Global Recordings Network) in 1982.	28 Pray for New Life Prison Ministry's new director Nadia Zeversenuke. Galcom has provided thousands of audio Bibles for their very successful outreach to prison inmates in Canada.	29 Galcom is a member of the Canadian Centre of Christian Charities, and Tim Whitehead is participating in consultations to update their standards of membership. Pray for this vital ministry providing guidance and influence.	30 Pray for our partners at Link Charity. This ministry focuses on helping people make wise stewardship and philanthropic decisions; they have partnered with Galcom so that our donors have free access to excellent financial planning.	31 We miss Dave Casement here at Galcom! He retired last year, and our staff is scrambling to fill the huge hole he left. Not only did he have extensive knowledge of stations, but contacts all over the world. Dave, enjoy your rest!
