# Where Your Giving Goes

Thank you for your interest in partnering with Galcom through automatic monthly donations. We are committed to being good stewards of the resources God provides through our partners like you. By giving automatically, you reduce our mailing and administrative costs so that even more of your donation can go towards providing radio equipment in order to proclaim the Gospel to unreached people groups around the world. Below is the most recent Canada Revenue Agency report on the use of funds here at Galcom.
