## FROM YOUR HANDS INTO THEIRS

Dear Friend,

At Galcom, we have a few non-negotiables—some fundamental core values. The first is that we pray about everything. Every day starts with prayer, every issue is met with prayer, and every success is answered with a prayer of praise. Second, we provide durable technical equipment. Our radios are meant to last for decades. Finally: partnership. Everything we do is done hand in hand with others.

It starts with you. We rely on you to use this prayer calendar daily to pray for our staff, volunteers, and partnering agencies around the world. It's no secret that we depend on your giving as well. Thank you! Next are our volunteers, and we have several kinds. Some assemble radios, others represent Galcom at churches and

I realized recently that our production volunteers leave their DNA on the radios they handle—in effect, a little piece of them travels with every radio. And figuratively, a little piece of you travels with them, too, because of your prayer and support. This all starts from your hands. Hands folded in prayer, hands making a financial

conferences, some stuff this newsletter into envelopes, and even more go around the world, building radio stations or handing out radios on short-term mission trips. Then there are our affiliates: pastors and missionaries who teach at radio stations, organize the distribution of our players, and follow up with those who receive them. Because of all these people, the radio reaches someone's hands so they can hear the Gospel daily in their own language.

As the saying goes, many hands make light work. Thank you for lending your hands to the work of sharing the Gospel through radio!

With you in Christ's service,

On everything you touch, you leave a bit of DNA, which means that when our volunteers work on our players, they are literally sending a part of themselves across the globe. If you support Galcom through prayer or giving, you are doing the same thing spiritually! Here are a few who reach out to give and others who reach out to receive the gift of God's Word.

**Persecution  
Project, Sudan**  
**19,000 players since 2022**  
Audio Bibles were distributed alongside other emergency relief supplies to refugees. The recipient families returned to their Nuba homeland with very few personal possessions, so to have access to the Word of God once again is a treasure they deeply cherish.

**FEBC**  
**26,000  
players since  
2022**  
FEBC's Krusa FM in Cambodia delivered help and hope to soldiers on the front lines there. The team distributed 250 audio players and food supplies to grateful military officers, police, and border guards.

**Runa Simi, Peru**  
**5 mission trips with  
Galcom since 2019**  
In March of this year, Galcom and Runa Simi hosted a trip to visit prisons in Peru for the first time. The prisoners have very little; this man wept with joy to receive something as precious as a Compass player.

**PSGL  
& High Adventure**  
**19,300 players since 2013**
