

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	1 Pray for Tim Whitehead as he speaks every Sunday this month, representing Galcom at several of our supporting churches. Pray for safe travels and inspiration as he shares God's Word.	2 As Steve Mutrux's year at Galcom draws to a close and he returns to school, he wishes to thank God for the valuable experience gained in this wonderful work environment. We were blessed to have him!	3 Back to school is a crazy time for Michelle Cope as she readjusts to getting her four kids and teacher husband Dan off to school every morning. Pray she will adjust quickly to the new routine.	4 Pray for David Bogosian as he takes on the role of the new Director for the Alliance of the Unreached, a coalition of mission agencies dedicated to reaching communities in the least evangelized parts of the world.	5 VARs Roger and Heather Ewald have just returned from a month on the road. Their stops included visits with five grandchildren. They ask for prayer for good interactions and more opportunities to share Christ with them.	
7 Our Mission Compass program airs on Sunday at 4:00 PM in Edmonton on AM 930 The Light. Pray that we have more listeners engage with us on a deeper level, like those who went on a mission trip to Peru after listening to the program.	8 This week, Al Wyatt and Marquez Valderrama will be representing Galcom at the COICOM conference in Honduras. Pray for divine appointments meeting new partners, enabling us to reach more people through radio.	9 The foster child that the Mutrux family has been caring for over the past 3½ years, since birth, has just started Junior Kindergarten. Pray for his socialization and learning, despite any mild challenges he may face.	10 Jirehl Ngo served as our summer student at Galcom but is now in his second year of Engineering at McMaster University in Hamilton, ON. Pray that God will be his guide and lead him into the many things He has in store for him!	11 Irv Litke, a Galcom volunteer, requests our prayers for his wife, Wendy, and her ongoing care for dementia. Her demeanour varies from day to day, which is stressful for Irv and his daughter, Lana.	12 At the time of writing, Faye Whatford is eagerly awaiting the birth of her grandson from her daughter, Maeve, and Maeve's husband, Brent. Please pray that the early days are peaceful and filled with love and stability.	13 St. Andrew's Presbyterian Church in Mount Forest, ON, will host the Wyatts tomorrow. Pray that Al & Shelley will be able to effectively communicate the mission of Galcom to this congregation for the first time.
	15 Shammah Mubumbyi joined us this summer to update some of Galcom's historical records, and we hope she will continue part-time. Pray for her as she returns for her second year at McMaster University in Hamilton, ON.	16 Please pray for Radio Espoir, Director Eric Perron, who has been diagnosed with advanced nasal cancer and is undergoing treatment in Arizona. Pray for complete healing and the financing needed for this special procedure.	17 Please pray for Scott Garvie, our new Director of Operations and Finance, as he settles into his role at Galcom. With opportunities increasing, we need help to accomplish all the ministry work that God is giving us.	18 Ken and Kay Gaddy, newer Galcom volunteers, had the opportunity to visit Scotland this summer and see many of Kay's family. Kay faithfully brings goodies into Galcom for everyone to enjoy! Pray for this hardworking couple.	19 A number of our volunteers attend Jerseyville Baptist Church in Jerseyville, ON, which has a booth at the Ancaster fair this weekend. Pray for "God appointments" as they give out Bibles and have interactions with people.	
21 Our partners at Inspire FM have been hosting a series of ministry outreaches during the summer in Canada's Maritimes. Pray for ongoing discipleship efforts, both in person and over the airwaves, through the fall months.	22 Davina Heza is adjusting well to her role at Galcom. She would appreciate prayer for her children as they return to school. One will be graduating from secondary school, and another will be finishing grade school.	23 This week, Galcom hosts a mission trip to the remote Andes Mountains in Peru. Pray for safety in travel, for a smooth adjustment to the altitude of over 4,000 meters, and for the Quechua people who will receive the radios.	24 This summer marks the first anniversary of Kevin & Lynn Baker's son Jeff's sudden diagnosis of cancer last July and his passing. Thank you for praying for his wife, Neylin, and 9-year-old daughter, Alessia, especially this past year.	25 Please pray for focus, strength, and wisdom as Julius Kisere works to complete the accounting records for the first six months of the year. He is asking God for clarity and discipline to meet all deadlines.	26 Lift up Martie van Niekerk in prayer; she is always busy on Galcom's production floor, whether tracking production orders, programming Envoys with audio Bibles, or never forgetting to celebrate a volunteer's birthday.	27 Each year, we send our Financial Statements and complete our declaration of compliance to maintain our membership in the CCCC. Pray as they support Christian charities across Canada and advocate for us to the government.
	29 Krusa FM in Cambodia continues to marry their radio programs with listener follow-up outreaches, where listeners share personal testimonies and receive support from local church leaders. Pray for this impactful outreach.	30 Long-time volunteer and Board member Ron Huinink has been elected as our Chairman. Pray for him as he provides leadership to the organization to uphold the highest standards of stewardship and integrity.
